

High North Dialogue Research Workshop

Guidelines for submission.

All abstracts must be relevant to the workshop themes:

Business in the Arctic, Arctic Governance, Smart Cities and Smart societies, Blue Future of the Arctic, Climate Change/Crisis.

The abstract should contain the title of the paper, contact person, authors and their affiliations, keywords, and a summary of the paper. The abstracts should be one page in length (between 250 and 400 words) and include max 5 keywords.

Suggested structure of an abstract:

Title, authors.

Introduction.

Research topic and research purpose/question.

Methods.

Findings.

Questions to discuss. After your presentation, there will be 10-15 minutes to discuss your paper with the auditory and to receive feedback. What in particular would you like to discuss? Please indicate 1-2 questions you especially interested to focus.

Keywords.

Paper in progress.

It is possible to send a paper in progress. Please use a similar structure to make an abstract for a paper in progress but write about the potential outcome.
